

The Power Of Your “I AM” Presence

“I AM” DECREES

Saint Germain

Calling Forth the Power of your “I AM Presence”

The Energy of God

“Whenever you say, “I AM”, you are setting the Pure Energy of God into motion, uncolored by human concepts. This is the only way of keeping the pure energy of God uncontaminated by human qualification.”

“Enormous results can be had in a short time by the determined use of these affirmations.” – Saint Germain, “I AM” Discourses (p. 85)

“The Energy of God becomes Power through conscious use.” “

*When you realize that "I AM" is the only Presence, Power, and Ability to think in your brain cells, and you are accepting only the Activity of the "I AM Presence", then you make It the All-Power, fulfilling every outer desire. Say often: **"I AM' always loving obedience unto the Light."***

"I AM" holding fast to this idea for the students' sake, so they grasp fully the Mighty Truth, that when they say:

*❖ **"I AM' whatever I wish to be or manifest",***

There is no other Statement or group of words in existence that actually sets such power into motion to accomplish any given purpose to which the conscious attention is directed as does this Mighty Expression. (P. 243)

they are actually setting into visible physical activity the Mightiest Presence and Power of God which "I AM".

Always first give your Great Love and Adoration to your own "I AM Presence", the Master-Self, then to those who may be able to assist you. Go forth with certainty in your hearts, always being aware:

- ❖ *"'I AM' the Conquering, Victorious Presence in any achievement i desire; that 'I AM' now the Full Dominion of every application that I make; that 'I AM the Presence' always within every demand, supplying, and fulfilling it all."*

For any individual - whether at first he has the full understanding of its meaning or not - who will be conscious that:

- ❖ *"'I AM' the omnipresent, limitless supply of God's Riches and Opulence in my use",*

will sooner or later come into the full conviction of this Mighty Truth. (P. 245)

At all times, turn to your own "I AM Presence" and demand to know and see clearly the plan that you should follow.

It is impossible to have a selfish desire or intent when reaching to the "Master I AM Presence" for Love, Wisdom, Power and Illumination.

Joyously take the stand that:

- ❖ *"'I AM the Presence' which enables me to see or hear with the Inner Sight and Hearing."*
- ❖ *"To know, to dare, to do, and to be silent."*

"I AM" is the All-Balance:

It takes enormous strength to stand your ground. There is nothing can give you permanent success in the outer activity except the conscious use of the "I AM Presence."

Stand adamant against the thing that would sway you off. Take the stand often:

❖ *"I know what I am doing and I am doing it."*

You may sometimes have to say very strong things in order to shut off indifference, but do not be susceptible to it. Decide what you want to do and then say:

❖ *"I AM the Presence' doing it."*

The use of the "I AM" prevents the development of anything out of balance." (pp. 250-252)

❖ *"I AM the Presence' entering into and revealing to my outer consciousness this activity."*

❖ ***"OH GOD! SHOW ME THE TRUE WAY."***

Beloved Students, you who so earnestly seek the Light, know there is but the One Presence that is your Invincible Protection, and that is the "Great I AM Presence", God in you.

If you turn to it at all times, It will lead you in the Pathway of Light.

Beloved Jesus

In My Ministry to mankind among the hills of Judea, I stirred the latent memory within the Inner Records of mankind, and its Work is still going on today. I wish the students to understand that preceding all conscious healing upon My part, within My own mind I was always conscious that:

❖ ***"I AM' the only Healing Presence",***

and, as that "Unlimited I AM Presence", I had the Right, the Power, and the Ability, through that Presence, to command all outer activity of the mind to be silent and obey Its Command.

It was only when I began using:

❖ ***"I AM' the Resurrection and the Life",***

that the fullness of My Mission, and how it was to be fulfilled was entirely revealed. (p. 267)

Beloved Jesus

The mistake that students make and which delays their achievement is in feeling that they are acting a falsehood in declaring the Perfection they do not yet see manifest in their appearance or activity.

*I tell you sincerely from My own Experience that **we must acknowledge the One Presence, Intelligence and Power, then claim It as our own in our every thought and activity.***

It is the only way this Mighty Perfection can be brought into the outer appearance and the fullness of your use.

*In the consciousness that you are the "I AM Presence" acting at all times, you then must **know that you are, that moment of recognition, an invincible magnet of attraction - which causes every activity of the Universe to rush to you to fulfill the demand.** (pp. 268-269)*

Beloved Jesus

For any individual to feel that he must wait upon the attainment of another is a great mistake. Individuals may attain only through their own conscious effort in this wonderful recognition.

No one can grow for another or attain for another, but each may be of immense help to the other by knowing with intensity:

- ❖ *"'I AM' the only Presence and Intelligence acting within that individual", for the one you wish to help.*

Beloved Jesus

Every individual's first duty is Adoration and Love to the "One Mighty I AM Presence", which is everywhere present. (p. 271)

Do you not see how in this, it is a joyous privilege to love your so-called enemy, because:

❖ "'I AM' the only Real Presence and Activity anywhere!"

Beloved Jesus

One thing students should be intensely conscious of, and that is:

- ❖ *"'I AM' the Eternal, Harmonizing Presence and Activity everywhere I move, and of everything to which my thought is directed."*

This, constantly used with the feeling of Its Invincible Power, will keep the atmosphere of your world purified, harmonized, and held in readiness for any conscious direction to go forth with great speed to its accomplishment.

Beloved Jesus

*Try always to remember that you are not human beings so-called, but **you are Gods and Goddesses** in embryo - which through the conscious effort you can bring into Full Dominion.*

Arise! Awaken! to the fullness of your God-Dominion.

Fearlessly use the conscious knowledge and direction of this "Mighty I AM Energy" for your freedom, prosperity, blessing and enlightenment.

Each of you is a glittering, dazzling Jewel of Light projected into a world of chaos and darkness, that the Radiance of your Light may expand, expand, and again expand, that all darkness of the earth be consumed in this Mighty Radiance of the "I AM Presence", which you are. (pp. 272-274)
